Stretch Wrap & Pallet Wrap

Stretch wrap High performance stretch film designed to perform as a 17 micron hand film. This product has 500 meters of film per roll to further increase the yeald and savings. Also available on a standard core. Please call for more information. 01623 625533

Pallet Wrap is easily applied either by hand or with our hand-held dispenser; the wrap adheres to itself once it is wrapped around the pallet or around goods and protects the goods against dust and weather and will retain its tension whilst in transit.
